

FAA Bingo

Instructions

- Print one bingo card for each player (limit 70 players).
- Print bingo *Call Names*.
- Cut out *Call Names* and place in a container.
- Randomly select one *Call Name* at a time and announce it to players.
- Players listen for *Call Names* to be announced.
- Players mark their *Call Name* square with candies, pennies, dry beans, pencil marks, etc.
- First player to have five *Call Names* in a row (across, up and down, or diagonal) – wins.
