

## 99s Seminar Evaluation

The Dallas Chapter Ninety-Nines are pleased that your troop attended our seminar today. We hope you felt the information was interesting and useful, and the time was well spent.

We are required to submit evaluations to the Girl Scout Program Department. Please answer these questions not only to fulfill this requirement, but also to help us to continue to improve our seminar. Thank you very much for your help.

1. Was the seminar interesting?
2. Do you feel the seminar was worth the trip to Love Field?
3. Do you feel the Girl Scouts benefited from the information presented?
4. Did the Ninety-Nines present the information in a professional and age-appropriate manner?
5. Would you recommend this seminar to other troops?
6. Do you have any suggestions on how we can improve the seminar?

Wishing you Blue Skies!
