

South Central Section Ninety-Nines 2017 Fall Scholarship Report

The 2018 AE Scholarship applications are now available on The 99s website! For Chapter instructions: 2018 Amelia Earhart Memorial Scholarship Instructions please make sure you review this year's instructions thoroughly and completely. They change from year to year!

I wanted to take a minute to touch base and give you some basics for the upcoming scholarship period. The SCS Scholarship Committee is standing by ready to review applications! I will be available via cell phone or email. Please make note of the new email address of scs99scholarships@gmail.com and add it to your contacts. This email is the preferred email address to send/receive emails, applications and for questions. THIS email is preferred over my personal email that you find in the directory.

*** The SCS committee prefers that you send all applications via email this year. I WILL NOT be using DropBox!!

*** If you and your applicant use digital signatures, please make sure they comply with the certified/verifiable digital signatures as set forth in AdobeAcrobat. Digital signatures where a huge problem last year. We have not received any further guidance from the Trustees other than a "real" digital signature needs to have a date/time/watermark stamp. This is an example of an Adobe digital signature.

*** I WOULD PREFER REAL SIGNATURES. Thus:

*** Applications would need to be assembled, scanned in by you and/or your applicant and emailed to me as a SINGLE PDF file. Most printer/scanner functions will compress a large file into something more manageable between normal email servers, i.e. Google, Yahoo, MSN, AOL. That said, most of these "normal" email servers still have attachment limitations of around 25 MB. So, if your applicant has an extremely large file, send it in a couple separate files and label them appropriately.

*** AE scholarship applications are different than the Fly Now awards. AE applicants MUST be full 99s members.....no student pilots may apply for AE awards.

*** There are separate applications for Flight Training, Type Rating, Academic awards, Vicki Cruse Emergency Maneuvers and the Kitty Houghton Award. Please make sure you and your applicant are using the correct forms. Also, make sure you are using the 2018 application.

Important Deadlines:

December 1, 2017 applicant to Chapter submission

December 20, 2017 Chapter to Section (me) submission

I am happy to take applications earlier than the deadline, so don't wait! However, please make sure your applicants packet is complete when you submit. If you have any questions, please feel free to email me at scs99scholarships@gmail.com.

Very kindly,
Rebecca Hempel
