

MEMBERSHIP NEWS

Fall 2014

As of mid-September, there are about 735 members in the South Central Section. Of that number, approximately 45 are Life members, 49 are Student Pilot members, and 34 are At-Large members.

Chapter news:

- Albuquerque disbanded with members now either at-large or part of another chapter
- The *Approach* and *99 News* are good sources of information for seeing what other chapters and members are doing

Director Elizabeth Frankowski has set up a [Facebook](#) page for our Section, so be sure to use that as a recruiting tool for new members.

Remember the *Approach Lite* will be emailed – following the Section meeting - to each member with an email address. This short communication provides highlights from our meeting; watch your email for it. It will also be posted on the SCS website. If you have Chapter members who do not have email or Internet access, this is a great way to connect with them and pass on the information.

Don't forget the quarterly webinars on a wide variety of topics. These can be viewed live via registering or at a later date. More information is available on The 99s' website at www.ninety-nines.org under the "Resource Center" tab.

Be sure to stay in touch with members who are approaching their renewals. They have 2 months following their renewal month before their membership is dropped. "Standby" is 1 month past and "Hold" is 2 months past.

Linda Horn, Section Webmaster, and I are looking at ways to make searching for a Chapter easier. One thought is having all zip codes within the Section listed and then connecting them to the nearest Chapter.
