South Central Section 99s – Spring 2016

As of mid-May, there are about 755 members in the South Central Section. Of that number, approximately 70 are Student Pilot members, 40 are Life members, and 27 are At-Large members. We have 25 Chapters.

The *Approach*, the *99 News*, and our Section Facebook page [SCS 99s] are good sources of information for seeing what other Chapters and members are doing. Remember to post meetings, events, member flying/training milestones, etc. on the Section Facebook page (such as fundraisers, FAA safety meetings, etc.). Elizabeth Frankowski is the Facebook page administrator. Back issues of the *Approach* are on the Section website under “Publications”; no log-in is required. Back issues of *99 News* are on The 99s’ website (no log-in required) under “About the Organization”.

The Houston Chapter participated in “ModAeroNet” in Conroe in mid-March with limited success in inquiries about The 99s.

The next quarterly webinar is on “Flying with Kids” hosted by ‘Mommy Pilots’ on June 6. Webinars are open to anyone. These can be viewed live via registering or at a later date. More information is available on The 99s website at www.ninety-nines.org under the “Resource Center” tab.

Respectfully,

Jill Shockley
